Volunteer Opportunity 11/27

The Leukemia & Lymphoma Society's Team In Training (TNT) will once again be hosting a Water Stop at the [Amica Seattle Marathon](#) and as a past TNT volunteer (or someone who has expressed an interest in upcoming volunteer opportunities) we would love for you to join us!

Our shift will be **from 6:45am-9:45 on Sunday, November 27th** and we will be manning Water Station #3, which will be the first stop in the I-90 tunnel (more details including maps, where to meet, what to bring, etc. will be provided prior to the event). Our Water Station will be one of the busiest throughout the marathon so we are in need of many volunteers to help refill and pass out water. For more information and to sign-up for this fun-filled opportunity, please fill out the online form located [here](#).

Thank you for your consideration and we hope to see you there!
